HONORING THE 150TH ANNIVERSARY OF THE UNIVERSITY OF CALIFORNIA, BERKELEY

HON. BARBARA LEE

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. LEE. Mr. Speaker, I rise today to honor the 150th Anniversary of the University of California, Berkeley. Considered one of the top public universities in the world, Cal provides a quality higher education to more than 40,000 students each year. In addition to providing a world-renowned education for students, UC Berkeley supports cutting-edge research programs facilitated by distinguished academic faculty.

The University of California, Berkeley was the first campus of the UC system and continues to set the standard for public universities nationwide. Established in 1868, the University of California, Berkeley formed as a merger between the private College of California and the state-run Agricultural, Mining, and Mechanical Arts College. In 1873, UC Berkeley chose blue and gold as their school colors—blue for California's sky and ocean and gold to honor the "Golden State." In 1895, Cal chose the golden bear as their mascot after a 12-student track team represented the school with banners depicting California's state emblem.

To date, UC Berkeley alumni, researchers and faculty have earned 94 Nobel Prizes, 45 MacArthur Fellowships, and 14 Pulitzer Prizes. UC Berkeley's notable alumni include Nobel Laureate and former Secretary of Energy Steven Chu, Governor Jerry Brown, co-founder of Apple Steve Wozniak and yours truly. I am particularly proud that the university has sent more alumni to the Peace Corps than any other university in the nation.

In 1964, during the Free Speech Movement, UC Berkeley developed a strong reputation for student activism. Student leaders opposed the Vietnam War, fought for civil rights, and defended their right to participate in political activity on campus. Facing great odds, the students' actions promoted change and established a legacy of political activism that continues to this day.

I commend UC Berkeley for its integral role in developing generations of academic, business, cultural, and political leaders. Cal has been at the forefront of some of the most important scientific discoveries and defining social movements of the modern era.

As a proud alumna of UC Berkeley, I am honored to represent my alma mater in Congress, and work on the many issues that are critical to the students and faculty.

On behalf of the residents of California's 13th Congressional District, I extend my congratulations on this important milestone to the Regents of the University of California, the Chancellor and staff, the distinguished faculty past and present, and most importantly the students who embrace Cal's rich history, and continue to push the campus forward with their passion and talent. I look forward to a bright future for UC Berkeley and continued success in the years to come.

Go Bears.

RECOGNIZING MOLLY McLAUGHLIN SALMI

HON. VIRGINIA FOXX

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 25, 2018

Ms. FOXX. Mr. Speaker, I rise today to recognize—and say farewell—to a member of the House Committee on Education and the Workforce staff who is retiring after more than 29 years of public service to the People's House.

Molly McLaughlin Salmi began her congressional career on the Committee as a Staff Assistant in the 100th Congress. With hard work and unparalleled policy expertise, she rose through the ranks, serving as the Deputy Director of Workforce Policy for the last 16 years.

Eight Committee Chairs—Republicans and Democrats—have had the benefit of Molly's guidance, direction, and honest feedback. Her tireless dedication to sound policy and extensive knowledge has resulted in a better workplace for every working American.

Molly has relentlessly worked to modernize wage and hour laws—clarifying requirements that would otherwise have a detrimental effect on working Americans, preserving volunteer opportunities, enhancing employment opportunities for America's youth, and, in particular, increasing workplace flexibility.

Molly has navigated us through countless hearings, markups, floor debates, field hearings, member briefings, roundtable discussions, and stakeholder meetings, and through it all, she has been a trusted adviser, dedicated public servant, distinguished colleague, and an invaluable member of our Committee family.

While Molly's policy achievements over the years are immeasurable, she is equally regarded for her mentorship and grace. Countless young staffers have been blessed to receive Molly's advice and guidance, much to their great appreciation and benefit.

Molly Salmi, on behalf of my colleagues, we are deeply grateful for your many years of service to the American people and the U.S. House of Representatives, and we wish you all the best in the years ahead.

AMERICAN SPACE COMMERCE FREE ENTERPRISE ACT

SPEECH OF

HON. HENRY C. "HANK" JOHNSON, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 24, 2018

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 2809, American Space Commerce Free Enterprise Act. This legislation grants the Office of Space Commerce (OSC) in the Department of Commerce the power to allow U.S. nationals and NGOs to operate objects manufactured or assembled in outer space, with or without human occupants, and all items used on these objects. To obtain an operation certification in outer space, all activities must include a clean-up plan for any debris that may result from their activities. This legislation will also establish an advisory committee within the OSC that will evaluate space activities and provide guidance on the U.S.
